Le Rosemont – Thanks to its west-facing orientation, this penthouse unit in a new construction benefits from exceptional natural light throughout the day. The open-concept living area offers a fluid and inviting layout. The property features two well-sized bedrooms with closets, as well as a full bathroom and a powder room adjacent to the living area. A large private terrace enhances the living space, providing an intimate outdoor setting. A turnkey unit offering a well-balanced combination of functionality, comfort, and quality craftsmanship.

#### Terrasses Marquette – ROSEMONT Unit (Penthouse)

Located in Rosemont-La Petite-Patrie, the Terrasses Marquette project offers a contemporary collection of newly built condominiums, designed to provide an optimal balance of design, comfort, and urban living. Developed by Samcon, a promoter recognized for the reliability of its projects.

The building, currently under construction, is designed with a focus on durability and comfort, featuring superior soundproofing, quality materials, and particular attention to detail and space functionality.

The units offer optimized layouts with two (2) or three (3) bedrooms, including either two (2) full bathrooms or one (1) bathroom with an additional powder room, depending on the unit. All feature bright open-concept living spaces, modern kitchens with quartz countertops, and generous private outdoor spaces. Certain units also benefit from specific features based on their location within the building.

The project is set in a dynamic environment, within close proximity to shops, restaurants, parks, and public transit, offering a highly sought-after urban lifestyle.
