Le Saint-Hubert – Condo located in the penthouse of a 2026 construction, offering a bright and thoughtfully designed living environment. The property features two bedrooms positioned at opposite ends, allowing for a clear separation of living spaces. The primary bedroom includes an ensuite bathroom, and a second full bathroom completes the layout. Outside, the unit offers a large private terrace of approximately 94 sq. ft. A turnkey apartment featuring superior soundproofing, quality materials, and careful attention to detail and finishes. A solid value.

Terrasses Marquette – ST-HUBERT Unit (Penthouse)

Located in Rosemont–La Petite-Patrie, the Terrasses Marquette project offers a contemporary collection of newly built condominiums, designed to provide an optimal balance of design, comfort, and urban living. Developed by Samcon, a promoter recognized for the reliability of its projects.

The building, currently under construction, is designed with a focus on durability and comfort, featuring superior soundproofing, quality materials, and particular attention to detail and space functionality.

The units offer optimized layouts with two (2) or three (3) bedrooms, including either two (2) full bathrooms or one (1) bathroom with an additional powder room, depending on the unit. All feature bright open-concept living spaces, modern kitchens with quartz countertops, and generous private outdoor spaces. Certain units also benefit from specific features based on their location within the building.

The project is set in a dynamic environment, within close proximity to shops, restaurants, parks, and public transit, offering a highly sought-after urban lifestyle.

Unit Features:
