Plot size : 155 721 ft²

If there's one lot to choose, this is the one—without hesitation! In Mont-Blanc, this remarkable site stands out as the obvious choice, offering breathtaking panoramic views of the surrounding mountains, including Mont-Tremblant and Mont-Blanc. Over 155,000 sq. ft. of private, serene land, located at the end of a quiet, low-traffic cul-de-sac. Easy access via a municipally maintained road, with a golf course at the entrance of the domain, and plans already in place for an elegant 4-bedroom residence. Inspiring, and simply irresistible!

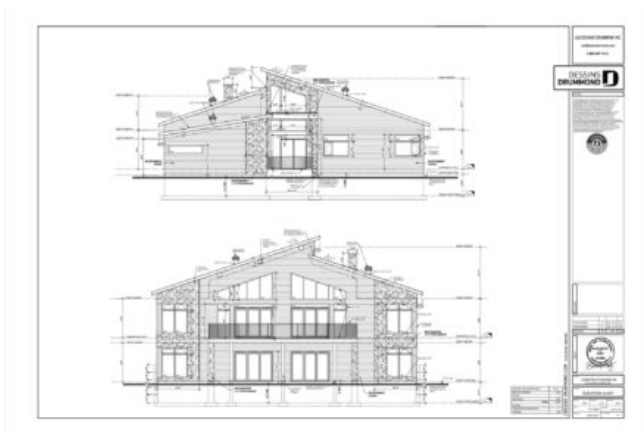

Included : Construction plans for a 4-bedroom single-family home by Dessins Drummond
